Hall of Fame Inductee: Steve Clemmons

**Saratoga High School
Coast Forensic League
Area 1**

Induction into the California High School Speech Association Hall of Fame is an honor reserved for coaches who have dedicated their careers to improving the lives of some of the most talented youth in California. Steve Clemmons is wholly deserving of this recognition and it is a pleasure for me to be able to say a few words on his behalf. In 1987, when I was first launching a forensics program at El Rancho Verde, the alternative high school in New Haven Unified, I reached out to my mentor David Dansky for coaching recommendations. His program at Kennedy was well renowned, and his coaching legacy unparalleled, so being able to bring in one of his former students to help teach extemporaneous speaking would be truly remarkable. To my joy his recommendation was Steve Clemmons. It didn't take Steve long to captivate my students' admiration and appreciation as his in-depth knowledge of current events was second to none and, with the natural exuberance and energy of a champion, he demonstrated how this activity could be both rewarding and fun. My students absolutely adored him as a coach and gravitated toward him as a mentor.

For an alternative high school we were very successful, and highly respected, on the state level. We won tournaments all across California and our competitors, many of whom were once at risk of dropping out of school entirely, would go on to earn not only the respect of their fellow competitors but, most importantly, their own self respect as scholars. Steve was absolutely instrumental in this process. Two years later, I would bring Steve with me as a coach when I transferred to the conventional high school, James Logan, and we continued building the tradition of transforming the lives of talented young people through forensics. The legacy of our hard work in New Haven continues to this day.

In closing, not only has Steve's influence as a coach been infectious for me, but he would go on to bring his expertise to numerous other programs up and down California. From being a former Lincoln Douglas champion, to coaching multiple other champions at programs like Leland, Presentation, St. Vincent, Harker, Skyline, and now Saratoga, Steve has brought the power of giving youth a voice to generations of student competitors. He has my highest respect and I am proud to be able to acknowledge his induction into the California High School Speech Association Hall of Fame.

Hall of Fame Inductee:

Lexy Green

**College Preparatory School
Golden Gate Speech Association
Area 1**

I write this nomination with extreme pride and gratitude for the service of Lexy Green to the GGSA and the State of California over the past 30+ years. Lexy began her speech and debate journey as a competitor in the early 1980's and continues today as the head coach and director at her alma mater, the College Preparatory School.

During her lifelong journey in forensics, Lexy has worked tirelessly to promote the interests of students, especially the less fortunate, as a coach, a League debate director, a tournament host and a member of multiple committees locally and nationally. I can think of no better ambassador for speech and debate than Lexy Green.

I first met Lexy in 1989 when she served as the Director of Forensics at Pinole Valley HS, and I was just beginning my teaching and coaching career. I found Lexy's energy and passion for forensics truly inspiring. Whether she was helping her students cut cards the night before the Stanford Invitational or coming out to Monte Vista in the summer to show our students how to file in extemp, she exhibited unlimited energy and generosity.

When a job opened for a forensics director at her alma mater CPS, Lexy couldn't bring herself to leave her students at Pinole that she spent a decade developing a program for. Myself and others helped convince her that it was ok for her to go back to her alma mater. Today, the Pinole program exists because of the hard work of Lexy Green in the 1990s.

As a coach and leader in the speech and debate community, Lexy, more than anyone else, serves as the voice of reason. She is always my first choice to seek out when problems arise. As a coach of one of the premier policy debate programs in the country, Lexy travels extensively, but has always put the League first. She takes the lead on issues at all League meetings, has a knack for seeing all sides of issues, participates in every League tournament possible, and has participated in almost all GGSA protest committees over the past thirty years. What is most impressive about Lexy, however, is that she advocates passionately and almost always for students outside her program.

When the pandemic hit and the GGSA was forced to go remote, Lexy took the lead. For the past two years, she set up tournaments, organized the platforms for online communication among coaches, made herself available to troubleshoot issues for every league tournament and personally tabulated debate events.

No coach deserves to be honored in the CHSSA Hall of Fame more than Lexy Green.

WHY ISD?

We know you have a lot of choices when it comes to speech and debate summer camps. Here are just a few of the things that make ISD Different!

Individualized Attention

At ISD, you're never going to get lost in the crowd. Our faculty get to know each student and provide fresh ideas, perspective, and coaching that helps each student grow, regardless of experience level. This is the core of the ISD experience.

Equal Access to Championship Faculty

Some camps limit access to the most sought-after faculty based on student experience levels. Not ISD. Every lab is led by a senior instructor and students have an equal opportunity to work with ALL of our faculty. And every event offers one-on-one office hours where students can sign up with any faculty member!

Fun Activities

Camp should be fun. At ISD, we make sure that it is just that. Yes, we work hard and you will leave camp with the skills you need to be an even better debater, speaker, and performer, but we also have a blast while doing it. Come join us for our theme park fun days including Disney World at ISD: Florida!

A Commitment to Diversity, Equity, Inclusion, and Justice

We are committed to creating a safe and inclusive learning environment where diverse perspectives are recognized, respected, and seen as a source of strength. We recognize that as an activity, speech and debate has a number of barriers that limits the access of various populations of students based on socioeconomic status, race, gender, ability, sexual orientation, and other identities. ISD is committed to helping to break those barriers.

LODI HIGH SCHOOL SPEECH & DEBATE

This year's Lodi High competitors have participated in five league tournaments as part of the Yosemite Forensics League. Let's not forget our pair of students who will be competing at the CHSSA State Championships!

Many of our competitors are new to speech & debate having expressed a willingness to compete and serve the community. Such opportunities included the Lodi Rotary and Lions Club, and Lodi Unified School District's GOT Kids Foundation Crab Feed.

Congrats to our
Duo Interpretation

In Loving Memory of Christopher Konzelman from Garfield HS Speech

Christopher Konzelman, our beloved friend, co-worker, coach, and teacher, passed away in his adopted home of New York City on March 31, 2022. He was a life-long learner who valued words and their meanings more than just about anything, because as he often said, **"Words matter."**

Chris was a Southern California native who graduated from Arcadia High School in 1985 and went on to study political science at Occidental College in neighboring Los Angeles. A short time later, in the fall of 1996, he began working at Garfield High School in East L.A. while continuing his studies at Cal State Los Angeles. At CSULA he studied rhetoric and composition under the great Marilyn Elkins and receiving his first masters of arts degree in 2004. Chris was active in his time at Garfield, participating in the Computer Science Magnet, lobbying successfully for adding more AP English Language courses, and resurrecting the school's speech and debate team. He was extremely passionate about his students, and talked proudly of their accomplishments, often staying in touch with them through graduate school and into the years after, often reuniting and dining with them when they came to town. In 2011 he, once again, made the choice to go back to school, this time to pursue his dream of studying creative writing. This would take him to New York, a city he made his second home. After the culmination of his studies there with a second masters in 2013, he began working at Purchase College (a part of the SUNY system north of Manhattan) as an adjunct professor and lecturer on writing which he continued for nearly a decade until his untimely passing on March 31st.

Chris was an aficionado of many things, but none more so than scotch, cigars, and musicals. But it was his friends, students, and family, and the words that he shared between them that he perhaps valued the most. He is survived by his brother, sister, and mom, and will be missed by us all. He was only 55 years old, but he left a lasting impact on those of us lucky to know and work with him. He will be missed, but certainly never forgotten.

FROM HIS CRITICAL ANALYTICAL PASSION FOR LITERATURE TO HIS NURTURING OF THE SPEECH AND DEBATE PROGRAM ON CAMPUS, KONZELMAN HAS LEFT AN INDELIBLE IMPACT ON THE EDUCATIONAL COMMUNITY AT GARFIELD HIGH SCHOOL. HIS HUMOR, INSIGHT, AND MENTORSHIP THROUGH THE YEARS WILL BE SORELY MISSED. KONZ, YOU HELPED SHAPE SO MANY YOUNG MINDS, TAUGHT THEM HOW TO ARTICULATE THEIR VIEWS, AND OFFERED A SPACE OF COMRADERY AND SUPPORT. THANK YOU SO MUCH AND REST IN PEACE.

- JAIME GUZMÁN

Mr. Konzelman introduced me to the world of speech and debate and I owe him a great deal for that. He leaves behind a legacy that lives in the hearts of all the students he saw from their first tournament to their graduation. Though his students collectively mourn, we simultaneously reflect and admire years worth of loving memories that we will carry with us for the rest of our lives. Rest in Peace coach.

- Jonathan Jimenez

This was Chris at his finest, exhorting our speakers to do their best in events and ensuring that they knew what to do.

Chris worked with every student to make sure that they had the opportunity to learn and grow from the Speech and Debate experience. His friendship was a remarkable gift.

- Roberta Ikemi

Mr. Konzelman taught me the true magic of words and the power they hold to change and inspire, but now that the world has lost this legend, I find it so hard to gather those words.

Konzelman never gave up on his students. He saw the best in us; and in our moments of great despair, he inspired us to believe in ourselves and our own capabilities. His captivating classroom discussions prepared us for more than just exams, they demonstrated the wonders of life and what we can do to be better people in this world.

Thank you Mr. Konzelman for giving us a voice and for changing our lives. We love you and we miss you.

- Richard Flores

Words Have Power

For those of us who wanted to find a voice, Konzelman not only gave us kids a chance, but gave us time, space, and wisdom. I will miss him greatly and I will remember his impact as an educator for the rest of my life.

- Matthew Aranda

Francis Parker School

Congratulations and good luck to our State Qualifiers Lucas Bernicker, Jessie Shen, Sanjana Kumar, Ryan Hu, Sophia Tyrrell-Knott, Kavish Kondap, Hillary Altes, Maggie Weller and Alec Sheres.

The Francis Parker Speech and Debate team has had an incredibly successful year; we had 8 students qualifying for the State tournament and 1 so far for the National tournament. The team will be competing in 20 tournaments this year, including State and Nationals. As a team we have grown both in numbers and in the events in which we compete. The growth and success of this team, since its establishment in 2018, would not have been possible without our Head Coach Selena Epley, Assistant Coaches Danica Sheres and Prem Kumar, along with student officers and school administrators.
