Since its founding, the California High School Speech Association (CHSSA) has been the heart of a vibrant community, bringing together thousands of competitors and coaches who exemplify the best of California speech and debate. Within this community, certain individuals stand out for their exceptional service, competitive excellence, and unwavering dedication. To honor these remarkable students and coaches, CHSSA created the *Hall of Fame*.

The Hall of Fame is a shared honor between coaches and their students, celebrating the impact of mentorship and dedication. Candidates for the Hall of Fame are nominated by Leagues and selected by the CHSSA board, alongside league representatives, and current Hall of Fame members not serving on the council.
